MRM RENAL

MRM LOADER

MRM RENAL
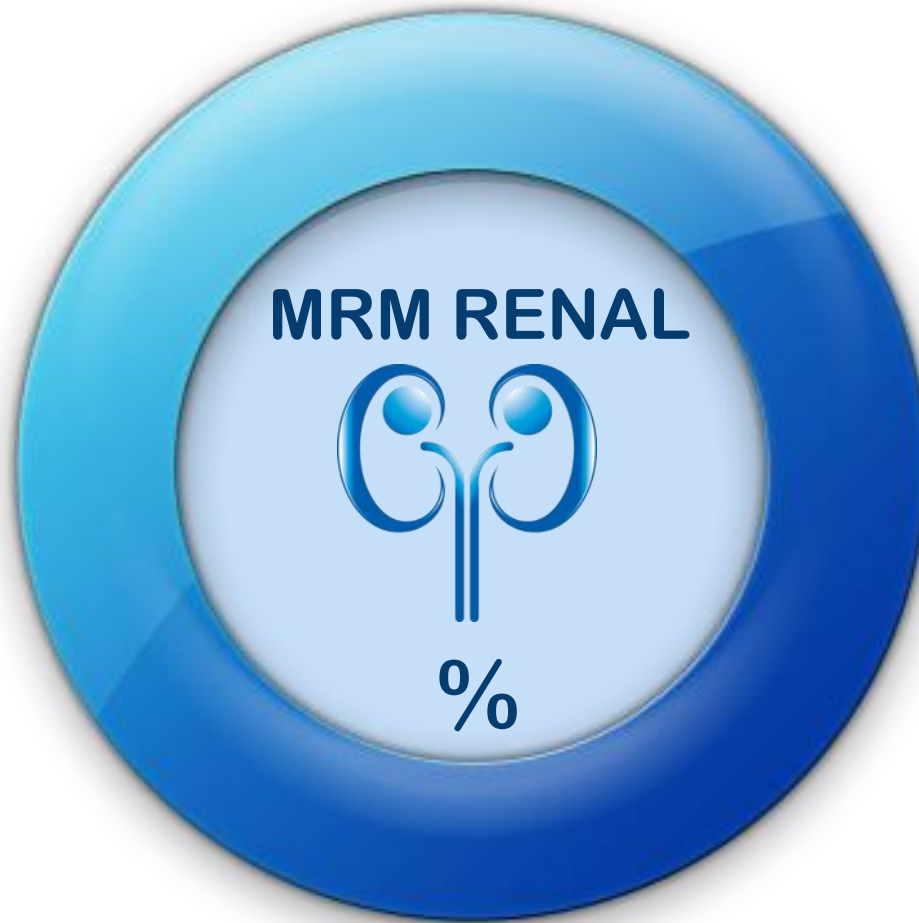

%

Needs to be cleaned up but the general idea is there. The attached gif ring is sent via flow, so the image just need to be tightened up and animate the darker part of the ring turning clockwise. The percentage can show WHEN required. If there is not a % to be displayed then it will say Loading.

FUNCTONALITY

Drop Down Example for List Fields

Primary Diagnosis:*

Primary Diagnosis:

Diabetic Nephropathy

FSGS

Hypertensive Nephropathy

IGA Nephropathy

Lupus

Nephritis

PKD

Other—See Notes

+   NEW ENTRY

Notes: Click anywhere of field displays dropdown list. When populating the field for FIRST TIME I will always be in alphabetic order. Field description is first and "Other-See Note" is the second last entry, before add new entry.

Icons w/ Hover Description

All icons will have a hover explanation for the user. i.e.

FUNCTONALITY

Slide Out:

LOVE THIS. Just make it bigger as shown sized to the new lines

Also Need Scroll bar

Extend slide out to fill to side navigation bar, its just short now.

Move up on page to allow for history
